

الأبحاث المنشورة

2024-2021			
International Journal of Yoga, Physiotherapy and Physical Education	د. مروى صالح	Suboccipital release versus muscle energy technique in patients with mechanical neck pain and forward head posture.	1
Journal of Burn Care & Research	د. مروى صالح	The Efficacy of Whole-Body Vibration in Managing Postburn Victims' Complications: A Systematic Review	2
Multiple Sclerosis and Related Disorders	د. مروى صالح	Efficacy of Virtual Reality Interventions on Mood and Cognition in Patients with Multiple Sclerosis. a Systematic Review.	3
Journal of Taibah University Medical Sciences	د. مصطفى علي	Comparison of the efficacy of two interventions in ameliorating abdominal thickness and sitting function in children with diplegia	4
NeuroQuantology	د. مصطفى علي	Does Functional Electrical Stimulation Improve Power and Reduce Mild Equines in Children with Diplegia?	5
NeuroQuantology	د. مصطفى علي	Correlation between Development of Handwriting Skills and Cognitive Abilities in Primary School children	6
Journal of Taibah University Medical Sciences	د. مصطفى علي	the effect of a thumb web spacer splint on hand function in children with hemiplegic cerebral palsy	7
Sport TK-Revista EuroAmericana de Ciencias del Deporte	د. مصطفى علي	Effect of lumbar-pelvic control on functionality in children with spastic cerebral palsy	8
Pediatric Blood & Cancer	د. مصطفى علي	Efficacy of dual-task training on stability and function in children with ataxia aftermedulloblastoma resection: A randomized controlled trial	9
Journal of Musculoskeletal and Neuronal Interactions	د. مصطفى علي	Trunk-oriented Exercises Versus Whole-body Vibration on Abdominal Thickness and	10

		Balance in Children with Duchene Muscular Dystrophy	
Journal of Musculoskeletal and Neuronal Interactions	د. مصطفى علي	Association Between Two Methods of Spinal and Pelvic Analysis Among Children With Cerebral Palsy	11
Physiotherapy Research International	د. مصطفى علي	Modified-Constraint Induced Movement Therapy versus Neuro-Developmental Therapy on Reaching Capacity in Children with Hemiplegic Cerebral Palsy	12
Bulletin of Faculty of Physical Therapy	د. مصطفى علي	Correlation between age, muscle architecture, and muscle strength in children with Erb's palsy	13
Journal of Taibah University Medical Sciences	د. مصطفى علي	Effect of whole-body vibration on abdominal thickness and sitting ability in children with spastic diplegia	14
Journal of Taibah University Medical Sciences	د. مصطفى علي	Does spasticity affect the postural stability and quality of life of children with cerebral palsy?	15
Journal of Musculoskeletal and Neuronal Interactions	د. مصطفى علي	Efficacy of two intervention approaches on functional walking capacity and balance in children with Duchene muscular dystrophy	16
Turkish Journal of Physiotherapy and Rehabilitation	د. مصطفى علي	Elbow Isokinetic Ratio and Reaching Ability in Hemiparetic Cerebral Palsy Children	17
Journal of Cardiovascular Disease Research	د. مصطفى علي	Relationship between Spasticity, Gross Motor Function, and Quality of Life in Children with Spastic Cerebral Palsy	18
Bulletin of Faculty of Physical Therapy	د. مصطفى علي	Association between body mass index and spatial gait parameters in primary school children	19
Medical Journal of Cairo University	د. مروى صالح	Immediate effect of neurodynamic tensioner versus proprioceptive neuromuscular facilitation stretch on subjects with short hamstring syndrome.	20
Physiotherapy quarterly	د. مروى صالح	Effect of core stabilization on lumbar lordotic angle in lumbar disc degeneration.	21

Photobiomodul Photomed Laser Surg.	د. مروى صالح	Narrow Band Ultraviolet B Versus Red Light-Emitting Diodes in the Treatment of Facial Acne Vulgaris: A Randomized Controlled Trial.	22
Fizjoterapia polska (Polish Journal of Physiotherapy)	د. مروى صالح	Effect of different therapeutic modalities on cervical joint position sense, neck pain and dizziness in patients with cervical spondylosis: A randomized controlled trial.	23
International journal of health science	د. مروى صالح	Radial extracorporeal shock wave versus diclofenac phonophoresis on myofascial trigger points of upper fibers of trapezius.	24
Physiotherapy quarterly	د. مروى صالح	Effect of backward training on foot posture and balance in flat foot adults.	25
Fizjoterapia polska (Polish Journal of Physiotherapy)	د. مروى صالح	Effect of siwa sand baths versus sulphurous water bath on inflammatory biomarkers, pain and physical function in patients with rheumatoid arthritis: a randomized single blinded controlled trial.	26
Egyptian Journal of Hospital Medicine	د. محمد العسال	Ankle rocking training and functional abilities in children with cerebral palsy	27
Annals of Clinical and Analytical Medicine	د. محمد العسال	Effect of less affected grip strength training on grip strength in both hands in unilateral cerebral palsy	28
Egyptian Journal of Hospital Medicine	د. محمد العسال	Effect of Polymetric exercise on shoulder internal rotation after overuse injuries in adolescent	29
Journal of Bulletin of faculty of physical therapy	د. محمد العسال	Correlation between age, muscle architecture and muscle strength in children with Erb's palsy	30
